## BIOCENTURY MANAGEMENT

### KAREN BERNSTEIN, PH.D., CO-FOUNDER & CHAIRMAN

Karen is co-founder and chairman of BioCentury Inc. and was Editor-in-Chief from October 1992 to August 2015. She is a director at Ovid Therapeutics Inc., which is focused on developing drugs for orphan diseases of the brain, and at Achaogen Inc., which is developing drugs to treat multi-drug resistant gram-negative infections. She is on the board of trustees of the Keck Graduate Institute of the Applied Life Sciences and is a member of the board of advisors of KGI's School of Pharmacy. She holds a Ph.D. in political science from Stanford University and a B.A. in politics and history from Brandeis University, where she served for many years as a member of the Brandeis University Science Advisory Council. In 2005, the annual gathering of biotechnology chief executive officers at The Biotech Meeting in Laguna Niguel, Calif., inducted Karen into their Hall of Fame, citing her lifetime contribution to the biotech community. In 2007, Karen received a Special Recognition award at the American Liver Foundation's Salute to Excellence, honoring individuals who have made an outstanding contribution to biotechnology and medical innovation. In 2013, she was named as one of the 100 Women of Influence in Silicon Valley by the *Silicon Valley Business Journal*. In 2015, Scientific American named Karen as one of The WorldVIEW 100 most influential people in biotech today. In 2016, she was named Commentator of the Year by the European Mediscience Awards.

---

### DAVID FLORES, CO-FOUNDER, PRESIDENT & CEO

David has devoted more than 25 years to developing information products for biotechnology executives and investors. He is a graduate of the University of California at Berkeley and holds an MBA from Stanford University. David is a member of the Advisory Board of the Innovation and New Ventures Office (INVO) at Northwestern University and a member of the Advisory Council of the Keck Graduate Institute of the Applied Life Sciences. He also has served as a member of the Stanford Graduate School of Business Management Board. In 1996, David and BioCentury Co-Founder & Chairman Karen Bernstein were honored with the Special Recognition Award given by the annual gathering of biotechnology chief executive officers in Laguna Niguel, Calif., citing BioCentury's ongoing contributions to the industry.

---

### THOMAS CAREY, VICE PRESIDENT OF COMMERCIAL OPERATIONS

Tom joined BioCentury in 2008 as Vice President of Commercial Operations. He has over 20 years of commercial experience in the pharmaceutical and biotech industry, serving in leadership roles in sales, marketing, product planning and business development.
